SUMMER CAMP 1964

There is no substitute in the Boy Scout program for a long-term camping experience in which the entire troop goes out under its own leadership to give boys a real experience in leadership, citizenship, and physical fitness.

The Owasippe Scout Reservation this year boasts the best camp staff ever assembled. The only sites still available are in Periods 2 and 7, according to W. R. Blew, Chairman of the Camping Committee. The Scouters' family camp and many other new facilities will open on schedule.

Bus Locations

Although most units prefer to travel in private cars, the Council has provided for round-trip bus service to Owasippe for units making advance reservations. A bus ticket costs \$9.00 per boy.

The buses will leave from four locations each Saturday morning at 7:30 a.m.

They are: **Area A**, Illinois Bell Telephone Company, 2401 West Grace Street; **Area B**, Hanson Park, Stadium Parking Lot, 2300 North Central Avenue; **Area C**, Sears, Roebuck and Company Parking Lot, 1334 East 19th Street (East End); and **Area D**, Marquette Park, 71st and California.

NATIONAL EXPLORER DELEGATE CONFERENCE

The University of Kansas will be the site of the 1964 conference, which starts August 16. The elected delegates from the Chicago Area Council are Joel Shaykin, Post 2733, Calumet District; Sanford H. Shudnow, Post 2851, Trailblazer District; Daniel Haas, Squadron 7840, Thunderbird District; Steve Epstein, Squadron 7847, Thunderbird District; and Jordan B. Lome, Post 2851, Trailblazer District. Warren C. Powers, Director of Exploring, will accompany the group.

To assist our delegates in the preparation of a program of action at the meeting, a discussion guide has been mailed to each Explorer unit.

AMERICAN HERITAGE CAMPFIRES JULY 18

A dynamic and exciting program to preserve our freedom through Reverent, Resolute, and Responsible Patriotism is being launched by the Boy Scouts of America.

July 18 has been designated as American Heritage Day and will be observed at the Sixth National Jamboree.

Simultaneously, every pack, troop, and post is asked to have its own American Heritage campfire.

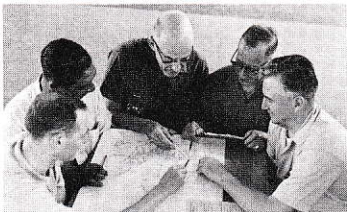

Arrangements have been made with the Chicago Park District and the Cook County Forest Preserve District for these campfires, if the units so desire.

Units desiring to use these facilities must build their campfires on a sheet of asbestos at least 1/2" thick and 4' square. The campfire itself should be approximately 2' square. By doing this, no scar will be left as a result of the campfire.

Near-in Camps Available

As an added service, the Council's near-in camps will be available for campfire programs. Packs, troops, and Explorer units desiring to use the camp facilities on July 18 must apply for special campfire permits which are available at the reservation desk of the Service Center, 9th Floor, 300 West Adams Street.

COUNCIL COORDINATED CAMPOREE

At a recent meeting of the camporee committee, Ernest F. Schmidt, Assistant Director of National Professional Training (center), helped district personnel plan their camporee layouts. Shown here from left to right: Irv Schwartz, South Shore District, Joel Howard, South Central District, Paul Dapogny, Southwest District, and Norman Marose, Frontier District.

500 SCOUTS TO PARTICIPATE

At a recent meeting of the "This is America" Pageant Committee, Henry G. Baumann, Chairman (right) is shown here discussing the script with Jerry Gregoris, Producer of the Festival (left), while John Yonan and Fran Knautz look on. The pageant will be in keeping with the national theme, "Strengthen America's Heritage."

The 35th Annual Chicagoland Music Festival Spectacular, sponsored by the Chicago Tribune Charities, Inc., will feature 500 Cubs, Scouts, and Explorers of the Chicago Area Council in the patriotic pageant, "This Is America." It will be held Saturday night, August 15, in Soldiers Field.

Henry G. Baumann, Executive Board member and chairman of the event, reports the pageant has been written by Ralph Reader world-known Scouter and producer of London and Chicago Gang Shows. Philip Maxwell is again the director of the Festival.

"We are fortunate," Baumann said, "to have secured the services of Jerry Gregoris, the Festival's producer, to direct our pageant and Robert Trendler, music director of the Tribune Festival."

Additional features of the festival include Wayne King and his orchestra, Jack Linkletter and a hootenanny including Johnny Cash, June Carter and the Phoenix Singers. Sergio Franchi, Italian tenor, and many other entertainers will also appear.

Reserved Seats Available

Special arrangements with the producers of the festival have been made for Scouters to purchase reserved seats.

Assisting Baumann with the Scout pageant will be Walter Skridulis, participation; George C. Beacham, business management; Jerry Blake, costumes; Dorothy Kirstein and the Women's Reserve, makeup; Fran Knautz, physical arrangements; John Yonan, rehearsals; and Robert Warren, Scout public relations.

HERITAGE CAMPFIRE DAY

A great National Jamboree will take place on the hallowed ground of Valley Forge where the American resolution to be

free was severely tested. The Scouts who participate in the Jamboree will be challenged to demonstrate their own resolution to preserve and enrich the heritage of freedom, which was purchased for them on these historic fields.

Therefore, all troops, packs and posts are invited to carry out special programs in July. We feel it would do a lot for the boys if all units were to have a campsite set up in the yard of their institution or a display in the case of Cub packs, or some units could go together. Let us be a window through which the world can see free American boys in action—boys whose common goal is to be physically strong, mental awake and morally straight boys who love and believe in America—boys who have pledged themselves to duty to God and country.

The following stores represent the Boy Scouts of America in providing you Scouting activities. You will find their service fast and dependable. The

COMMISSIONERS' JUNKET

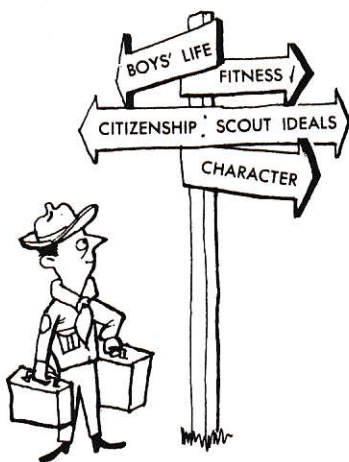

We call this a commissioners' junket; however, we extend a hearty welcome to every Scout-er that would like to join us. Call Ernest Zagotta, at IN 8-8735, on or before July 24, as we must make reservations at camp in advance.

AUGUST ROUNDTABLE

We are stressing the importance of this meeting so that every unit will be represented as we are working out something special for each group.

In addition to a good program, the 1964-65 program notebooks and the fall quarterlies will be given out.

To run a Scout program without the quarterly is like playing baseball without a bat. You need it to drive the ball (or program) for a home run. Plan now to be present on the 19th of August.

RENEWING SCOUTING'S PARTNERSHIP

Application for charter renewal of Troop 508, Parkside Baptist Church, Scoutmaster, Louis Johnson, is due in the Council Service Center, 300 W. Adams, 9th floor, by August 15.

"OPERATION 100"

"Operation 100" is the Chicago Area Council's plan to organize 100 Explorer specialty posts (see front page article in June "Counciler") which will be sponsored primarily by businesses and industries in the Chicago area. The South Shore District Chairman for "Operation 100" is Richard H. Linneen, district vice-chairman and Sears Store Manager.

A post with a merchandizing specialty is being organized at the Sears Roebuck 79th Street Store. Plans are under way to organize other specialty posts this fall.

GROWTH PROGRAM

Edmund V. Boland, assistant to the president of Coca Cola Bottling Company, for the second year will be chairman of the South Shore District's Growth Program. Our goal will be to organize at least six new packs, troops and posts by November 18.

The area bounded by Stony Island on the west, Yates Boulevard on the east, 83rd Street on the south and 76th Street on the north, is a high priority area for new units, as there are only 2 units, a pack and a troop, actually located in and servicing this area.

PROGRAM PLANNING ROUNDTABLE

The August 27 roundtable at Avalon Park Fieldhouse will be program planning roundtable. District Commissioner, Robert

Zamzow, indicates that the new 1964-65 Program Notebooks for unit leaders and the 1964-65 Program Planning Sheets will be distributed at this meeting. In addition, a session devoted to "how to plan your unit's program" will be held.

NEW TRADING POST AND SERVICE CENTER OPEN NOW AT 300 WEST ADAMS STREET IN CHICAGO

One of the first sights you will see on arriving at the New Scout Service Center is the reception area (shown above). It has been designed so that Scouters wanting to transact business, make reservations, or obtain information or printed material may do so quickly and comfortably. The reservations clerk, information clerk, and cashier are always ready to render service quickly and efficiently.

The new Service Center has been designed to meet the needs of the entire Council. Several air-conditioned meeting rooms are available for use of Council committees. One of the first to meet at the new location was the "This is America" Pageant Committee (shown above). Included as part of the meeting room complex is a small kitchenette from which a light snack can be served. Three meetings of various sizes can be held simultaneously, or the meeting rooms can be joined to make one large room which will accommodate more than 100 people comfortably.

Most of the increased floor space in the new offices has been allotted to departments which formerly were cramped and inefficient. One is the printing shop (shown above), which has doubled its capacity.

The National Supply Service Trading Post has become an integral part of the Council's operation. It is located on the 9th floor. The entire Trading Post operation is now housed in a larger, brighter and more modern setting.

In an effort to give speedier service, especially important during peak rush hours, a special check-out and wrapping counter is located near the exit door.

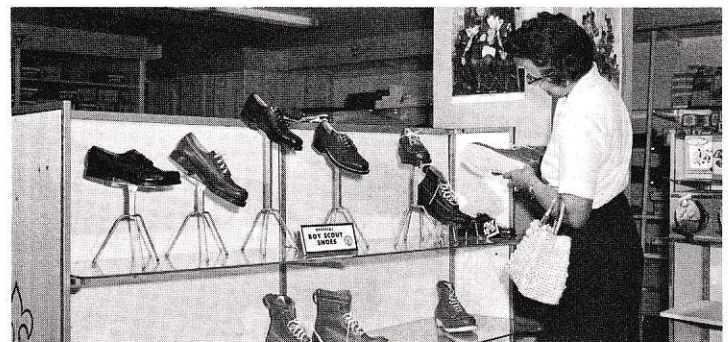

Visitors to the Trading Post will be impressed by the modern fixtures which allow all merchandise to be displayed properly.

Because of the enlarged stock room and display area, the Trading Post has a complete stock of uniforms in every size, assuring parents that they can purchase their son's uniform in time for a birthday.

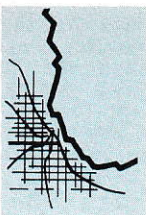

In addition to uniforms and equipment, a full series of merit badge and other Scout literature is prominently displayed.

Some of the new features of the Trading Post are the expanded shoe department and the installation of several dressing rooms, which together with other improvements will make shopping a pleasure.

ALONG THE SCOUTING TRAIL

By Alden G. Barber

Moving day has come and gone, and our Service Center and Trading Post are now located and operating at 300 West Adams Street, 9th floor. We sincerely believe that our new quarters will permit us to improve our service to the Scouters in every way. We welcome the fact that the National Supply Service Trading Post is now on the same floor with us. Those having business in both places can be easily and more effectively served.

In September we plan to hold several open house sessions in order to give all Scouters an opportunity to visit our new quarters and see the Service Center in operation. All will be notified by mail of the open house dates. Meanwhile, may we extend a most cordial invitation to all of you to visit your new Service Center any time. It would be a pleasure to have you drop in for a visit.
